Dear Reader,

Welcome to the October edition of **TRAMPOLINE NEWS** 2009. My thanks to all those who contribute to this our most important newsletter, especially our **Editor, JOHN BEETON**. As always, please circulate this latest edition as widely as possible. **Note:** Trampoline News can also be viewed on the BG webpage under Trampoline – Download. Please let your club members know.

Since August we have seen quite a busy two months with International competitions! First over the August bank holiday weekend, England took a team to the **Flanders Fliffus Cup in Belgium**, with GB taking a squad to the **Ostend World Cup**. Belgium saw the sky painted Gold for **Kat Driscoll**, who won her first World Cup! It's been a while since a GB lady has taken top podium position; the last was **Claire Wright's** win in **Sophia in 2005!** Well done Kat.

For many attending the Flanders Fliffus Cup, it was their first representative international competition. The English Team performed very well indeed, taking 7 out of a possible 18 medals. Special mention goes to **Rebecca Finch & Clare Stapenhill**, who claimed top spot in the Junior Girls Synchro.

Then GB sent a team to the **Polish World Cup in Zielona Góra** and then Germany for the World Cup in **Salzgitter**. The Polish World Cup was not as successful as Belgium with a young team attending, but in a large field dominated by the formidable Chinese, all of our gymnasts gained some valuable experience.

Germany saw the GB team fair slightly better, with **Katherine Driscoll** claiming the highest ranking of the GB team, finishing in 10th place in the ladies, with **James Higgins** being the highest placed GB male in 15th. Well done to all those who competed.

I hope that you all enjoyed the summer break and are now well into your training for the new season kicking off in October for the Regions and January for the National Competitors. I am certain that all your hard work and effort will be rewarded in the coming months and you will all achieve your personal goals.

Coming soon, will also be the publication of the **Trampoline Development Pathway**. The NTTC and BG Trampoline World

Class team have been working on a process that will help improve development of our gymnasts from Juniors, right through to world class Senior gymnasts. Each group have so far worked excellently on their own different streams and we are all now working to pull everything together to complete the part of the scheme to give all of our talented gymnasts every opportunity to fulfil their potential.

I would like to thank the World Class team of **John Beeton, Georgina Sharples & Tim Jones** for all their efforts so far and hope that we can continue to work together to complete the scheme.

Next Steps (Schools) has now taken off and there is great interest in trampoline for school activity. There will soon be released further information on the simplified judging level for students and teachers, following the second pilot held this week. As clubs you may well get the opportunity to link with local schools and stimulate this competitive opportunity. I would encourage you all to form these links, but please remember this is a gentle introduction. It is however pleasing to see that body management has been included even at this embryonic stage.

With the current international season coming to a close it only leaves me to wish our Senior team every good wish for the forthcoming World Championships in **St Petersburg RUS** during the month of November (11-14), followed the week afterwards with the **World Age-Group Competitions (WAGC)** (18-21) at the same venue.

I am certain that all BG members will join with me in the same sentiment.

Good luck to all.

These were excellent results, both for **Katherine Driscoll, 1st** in women's individual trampoline, **Rachael Letsche 2nd** and **Zara Maclean 5th** in the women's tumbling events. Our synchronised pairings of **Katherine Driscoll / Cara Jamieson**, along with **Steven Williams / Jack Helme** reached their respective finals finishing in **5th** and **7th** place respectively – another good result for TeamGB.

This was also **Laura Gallagher** and **Jack Helme's** first senior international event. Congratulations to you both. **Editor**

Additional Report by Sharon Wood HOD

An excellent competition with some outstanding results, notably from **Katherine Driscoll** who won the ladies event in a very impressive way and from **Rachael Letsche** who won the Silver medal in the tumbling competition. Rachel, Zara and Jenny finished the preliminaries in the top 6 which bodes well for the World Championships team event and in the ladies trampoline, with Katherine taking first place, Yasmin just outside the final in 9th, Cara in 10th and Laura 14th, shows encouraging signs for ladies trampolining moving forward.

The men didn't fair so well. All team members completed some very good compulsory routines but failed to impress with their voluntary routines with the exception of **Steven Walsh** who finished a credible 14th overall. More work on consistency in competition is required if we are going to make headway in these events.

FIG World Cup

Zielona Góra POL 02-06 Sep 09: team composition:-

HOD: Martin Laws

Coaches: Tracy Whittaker-Smith, Jay Scouler

Judge: Peter Heames

Physio: Stephanie Smith

Gymnasts: Laura Gallagher, Yasmin Gumbs, Cara Jamieson, Bryony Page, James Higgins, Steven Walsh, Steven Williams, Jack Helme

The penultimate event in the 2009 World Cup series saw a

considerable increase in entries from that of **Ostend BEL** the week previous. It was noted that GBR did not enter any tumblers or women synchronised pairings in this particular competition. It was pleasing to see however, the current Olympic men's champion **LU Chunlong CHI** participating for the first time in an FIG event since **Beijing** – he did not disappoint, winning the men's event in an impressive **42.4/16.6** points over his countryman **TU Xiao 41.9/17.4** points. LU's overall score for the three rounds was also a new world record, previously held by the great **Alexandre Moskalenko RUS** since the 2001 World Championships which were held in **Odense DEN**. Unfortunately, the current ladies Olympic Champion **HE Wenna CHI** had to pull out of the event at the very last minute owing to some problem in training at the present time but is expected to be fully fit for **St Petersburg** in November.

The Chinese, having missed out on both the **Loulé** and **Ostend** World Cups, sent their second team to the **Sofia** World Cup. However, they were present here in **Zielona Góra** in force, and what a force they are! It is safe to say that they completely dominated the trampoline preliminaries, taking the top four places in the men's event, and the top three places in the women's event!

Main results were as follows:

Trampoline Men – Individual (69 entries)

- 01 LU Chunlong CHI 42.4/16.6 points
- 02 TU Xiao CHI 41.9/17.4 points
- 03 Masaki Ito JPN 41.7/16.2 points
- 21 James Higgins GBR 68.8/15.8 points
- 45 Steven Walsh GBR 53.0/10.7 points
- 46 Jack Helme GBR 52.9/10.5 points
- 63 Steven Williams GBR 36.7/4.9 points

Trampoline Men – Synchronised (23 entries)

- 01 Masaki Ito/Shunsuke Nagasaki JPN 51.6/15.4 points
- 02 Daniel Praest/Peter Jensen DEN 50.2/15.4 points
- 03 Ben Wilden/Blake Gaudry AUS 50.0/14.8 points
- 18 Steven Williams/Jack Helme GBR 53.1/4.9 points

Trampoline Women – Individual (47 entries)

- 01 Haung Shanshan CHI 39.6/14.3 points
- 02 Zhong Xiping CHI 38.9/14.4 points
- 03 Rosannagh MacLennan CAN 38.8/14.8 points
- 18 Yasmin Gumbs GBR 63.0/14.0 points
- 33 Bryony Page GBR 58.3/11.5 points
- 39 Laura Gallagher GBR 54.0/10.0 points
- 41 Cara Jamieson GBR 48.3/7.3 points

Trampoline Women – Synchronised (11 entries)

- 01 Yulia Domchevska/Olena Movchan UKR 45.9/11.9 points
- 02 Anna Ivanova/Galina Goncharenko RUS 45.6/11.9 points
- 03 Ekaterina Khilko/Anna Savkina UZB 45.1/13.1 points

Note: Like Laura Gallagher and Jack Helme the week previous, this was Bryony's first senior international event. We offer her our congratulations. **Editor**

Salzgitter GER 09-13 Sep 09: team composition:-

Gymnasts: Katherine Driscoll, Amanda Parker, Yasmin Gumbs, Bryony Page, James Higgins, Steven Walsh, Nicholas Joyce, Luke Rendell

The team travelled to Germany in two parties from Manchester and London, with the London party having to zig zag across Germany to reach **Hanover!** However, the team were able to reunite within an hour of landing in Hanover.

Like **Zielona Góra** the week previous most of the main contenders who will feature in the forthcoming World Championships were present in Hanover with some 66 entries in the men's event and 49 entries in the women's event. Again, GBR were without members of the national tumbling team – nor did we have entries in either of the men or women's synchronised events. Main results were as follows:

Trampoline Men – Individual (66 entries)

- 01** DONG Dong CHI 42.0/16.6 points
- 02** Martin Gromowski GER 41/16.2 points
- 03** TU Xiao CHI 40.9/17.4 points
- 15** James Higgins GBR 67.7/15.8 points
- 24** Steven Walsh GBR 66.1/15.2 points
- 32** Luke Rendell GBR 64.4/14.6 points
- 44** Nicholas Joyce GBR 62.4/13.1 points

Trampoline Men – Synchronised (23 entries)

- 01** Masaki Ito/Shunsuke Nagasaki JPN 51.6/15.4 points
- 02** Peter Jensen/Daniel Praest DEN 50.6/15.4 points
- 03** Mikalai Kazak/Viachaslav Modzel BLR 49.6/15.4 points

Trampoline Women – Individual (49 entries)

- 01**HUANG Shanshan CHI 38.5/14.3 points
- 02** Irina Karavaeva RUS 37.9/14.0 points
- 03** LI Dan CHI 37.7/14.6 points
- 10** Katherine Driscoll GBR 64.7/13.5 points
- 25** Bryony Page GBR 60.8/12.9 points
- 28** Amanda Parker GBR 59.6/12.5 points
- 39** Yasmin Gumbs GBR 45.0/7.3 points

Trampoline Women – Synchronised (12 entries)

- 01** Ekaterina Kilkho/Anna Savkina UZB 46.1/13.1 points
- 02** Victoria Voronina/Anastasia Velichko RUS 45.4/11.0 pts
- 03** Sarah Seyd/Jessica Simon GER 44.7/11.6 points

For the second week running the Chinese dominated both the women and men's events, with the men finishing in the first four places after the preliminaries, and the women having three gymnasts in the first three places in their event, with their Olympic Champion due to join the team for the world championships in St Petersburg!

The Great Britain team members are still endeavouring to come to grips with their performances, with time running out fast if they are going to make any kind of impact in November; and with only **Katherine Driscoll** and **James Higgins** showing signs of making inroads to the top 15 in their particular event, it does not bode well for places in the team finals in either of the men or women's event.

Mhairi is contracted by British Gymnastics one day a week (flexible timetabling) and has initially been asked to meet individually with podium athletes and to begin addressing some identified key topic areas in order to share information on aspects such as **Recovery** and **Hydration**.

She will also be in attendance for some part of future National Trampoline Squads.
